TIMELESS ELEGANCE

Nestled along the waterfront of **Brickell Key**, **Carbonell Residence Miami** emerges as an architectural masterpiece, seamlessly blending **sophistication** with **unparalleled comfort**. Developed by **Adriana Hoyos Design Studio**, this opulent residence offers a rare fusion of **innovative design**, **state-of-the-art amenities**, and **breathtaking views of Miami's iconic skyline**.

Inaugurated in **2023**, the **Carbonell Residence in Miami**, featuring exquisite **Maison Valentina products**, embodies an unmatched ambiance of **elegance**, **luxury**, and **sophistication**, epitomizing the hallmark traits of the brand. **José Antonio Villamil**, responsible for the project conception, explains why he chose **Maison Valentina** to be one of the protagonists of this project.

DARIAN PEDESTAL SINK REDEFINING LUXURY

“**Maison Valentina** consistently delivers products that go beyond the ordinary, captivating attention with their **distinctive design language** and **exclusive appeal**. The same dedication to **exquisite craftsmanship** and **meticulous detailing** can be observed across the Covet group, exemplified by brands like **BRABBU**, **Circu**, **Luxxu**, **Boca do lobo** and **Maison Valentina** among others. This shared commitment to elevating each piece to an **art** form not only defines the individual brands but also reflects the group’s collective pursuit of **excellence in the realm of luxury design**.”

The product chosen by **Villamil** and his team to star in the **Carbonell Residence Miami bathroom** was the **Darian Pedestal Sink**, a **modern** freestanding conceived with precise knowledge of production techniques and materials, from **metalwork** to **upholstery**. For **Villamil**, this **Maison Valentina** product fulfills the requirements he considers essential for a **luxury bathroom**.

“The most important considerations when decorating a **luxury bathroom** revolve around creating a **harmonious blend of opulence, functionality, and personal style**. This is one of the most used spaces in a **residential or commercial environment**. There are some key elements that I always take into consideration and try to focus on. Those elements are: **materials and finishes, attention to detail, lighting design, customization and space planning**. In my opinion, **Darian Pedestal Sink** is a product that fits these requirements perfectly.”

With **meticulous attention to detail**, every aspect of **Carbonell Residence** has been curated to provide residents with an **exquisite living experience**. From the moment you step into the grand lobby adorned with **contemporary** artwork and **lush greenery**, you are enveloped in an atmosphere of **refined luxury and tranquility**.
