

### VALKIE | WALL LIGHT

Once a legend in Norse mythology, Valkie still has a cultural influence in the Scandinavian lands. Coming down from the sky, through the coldest air, hailing in the high woods and showing itself among the mist, VALKIE wall light will shine like lightnings through its forged aged brass. This flower shaped wall light is an elegant solution for a living room, a dining room, a library or a hallway. A versatile style to your interior decorations for any given composition either classic, contemporary or mid-century.
